

*CEASe of Scott County
a Local Coordinating Council
of the
Governor's Commission for a
Drug-Free Indiana*

Mission and Goals

▶ **Mission:**

Reduce the incidence and prevalence of substance abuse and addictions among adults and children in Indiana

Goals

- ▶ **Advise Governor & General Assembly**
- ▶ **Provide public education & awareness**
- ▶ **Educate & empower local communities**
- ▶ **Assist Local Coordinating Councils**
- ▶ **Promote & support advocacy for policies**
- ▶ **Coordinate & facilitate collaboration**

Local Coordinating Councils (LCC)

- ▶ **County-wide citizen body approved by Commission to plan, monitor & evaluate comprehensive local alcohol & drug abuse plans.**
- ▶ **Identify community drug programs, coordinate community initiatives, design comprehensive collaborative community strategies & monitor anti-drug activities at the local level.**
- ▶ **Assist the Commission in achieving its purpose and responsibility by collecting and monitoring local level data & evaluating supported programs.**

Forum Planning

Comprehensive
Community
Plan

The Comprehensive Community Plan

Collaborative Effort to:

- assess the impact of substance abuse in Scott County
- collect data from our member agencies
- identify issues to be addressed
- evaluate existing & new services for efficacy

The Comprehensive Community Plan (CCP)

Community-Wide plan to address AOD issues at local level. Development of this plan is a process to:

- **Identify problems through needs assessments, data collection, community input**
- **Develop & prioritize clear concise problem statements**
- **Develop measurable and realistic goals**

The Comprehensive Community Plan (Continued)

- **Develop objectives to address identified problems**
- **Advocate for change through the release of funds to local agencies and by influencing policies & enforcement**
- **Evaluate the progress & redirect if needed**
- **Report findings to state via annual plan updates**

NEW Comprehensive Community Plan completed Oct 2014 Identified 3 Problem Statements for Scott Co:

- 1. Youth and Adults use and abuse Alcohol.**
- 2. Youth and Adults use and abuse Tobacco Products & Marijuana.**
- 3. Youth and Adults use and abuse prescription medications.**

#1: Youth and Adults in Scott County use and abuse Alcohol

Goals:

- 1. Reduce the rate of youth alcohol consumption as reported by the 2016 IPRC Indiana Alcohol, Tobacco and Other Drugs Survey.**
- 2. Reduce the rate of adult alcohol consumption as reported by the justice system, 2016.**

Alcohol Prevalence in Indiana

Alcohol is the most frequently used drug in Indiana and the US

Among Hoosiers ages 12 and up, 51.2% drank alcohol in the past month, and 24% engaged in binge drinking

Young adults ages 18-25 had the highest rates of alcohol use in IN; 61.8% reported current alcohol use, and 43.1% reported binge drinking

Scott County Schools Reported the Following:

**Expulsions/Suspensions involving
drugs, weapons, or alcohol during
2013-14 School year:**

SCSD 1: Data could not be obtained

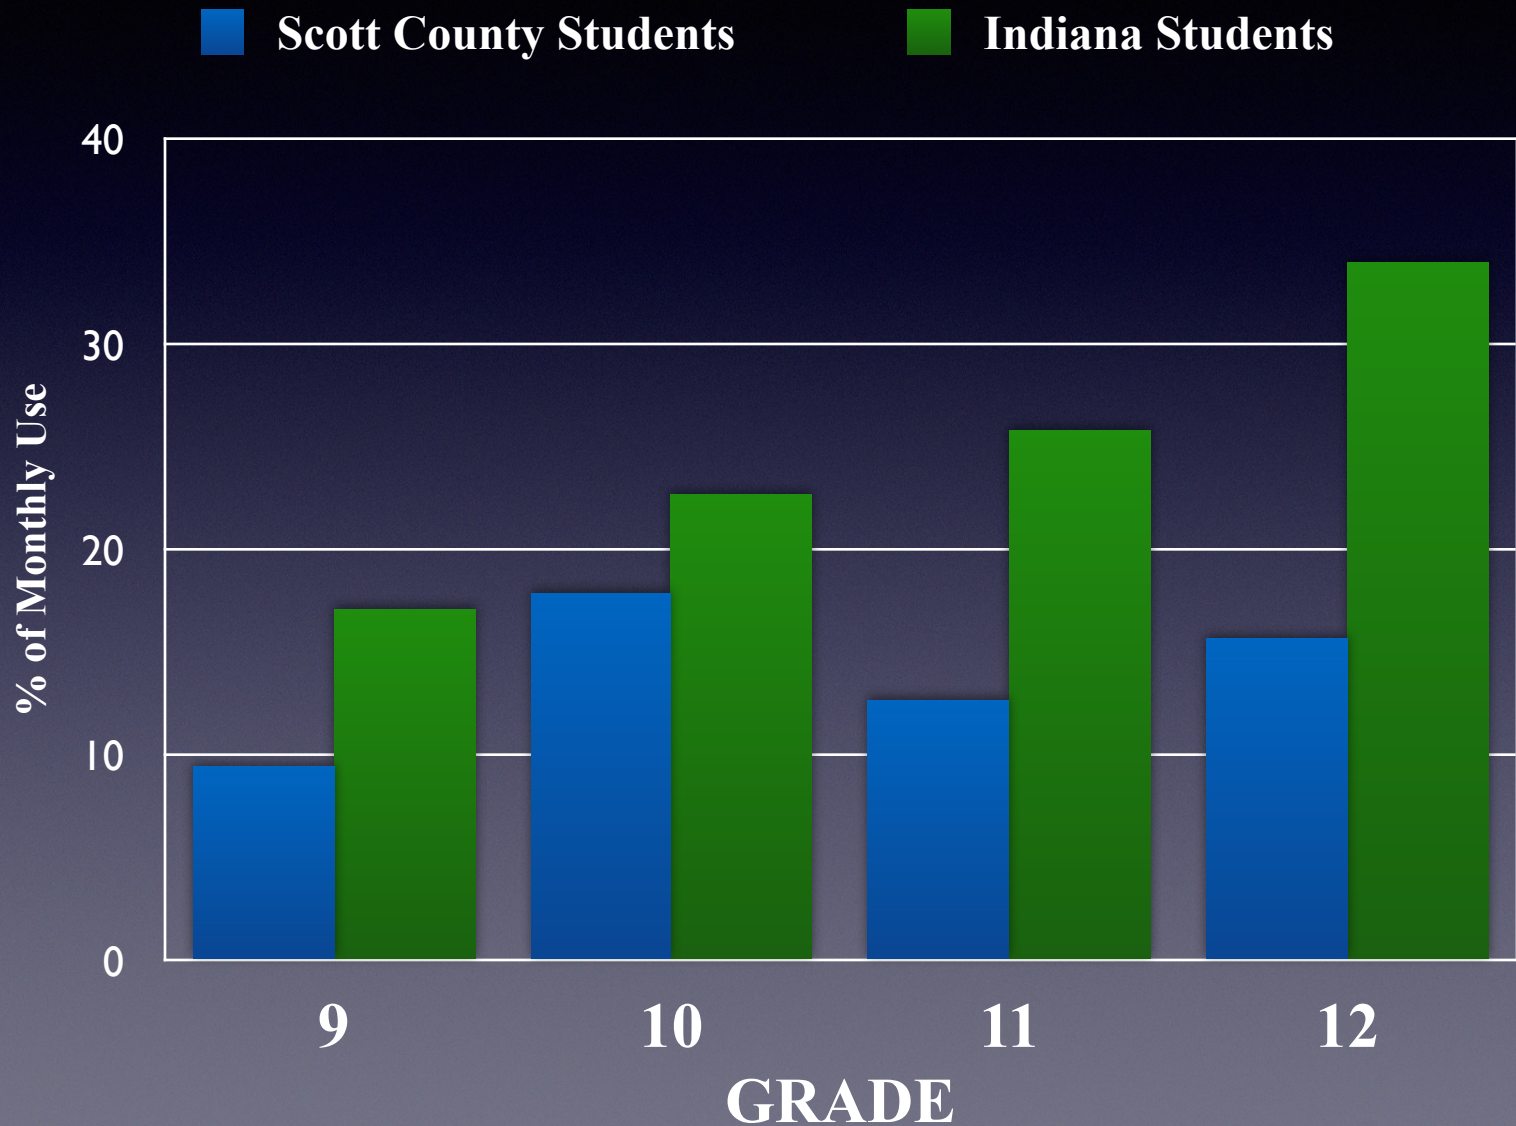

**SCSD 2: 8 (drugs), 1 (weapons) -
SHS, 2 (drugs), 1 (weapons) - SMS**

(School Administrators)

- **2 illegal/possession consumption (at least 18)**

2013 Prosecution Handled:

- **20 Cases of Possession of Alcohol by a minor**
- **129 Counts filed on 78 different defendants for operating with ACE of +.08 (includes operating while intoxicated, operating with a controlled substance in the body, and any counts including serious bodily injury, death, and/or leaving scene)**

Scott County 2013 Dept. of Child Services Data

244 children were in out-of-home care, 75% of which were a result of substance abuse by caregiver

There were 117 removed in 2013 and they are included in the 244 above

104 of the children had been removed previous to 2013 and continue to be in out-of-home care due to the continued substance abuse of caregiver

Survey for Alcohol Compliance

In 2012 IN Excise Officers conducted 9978 inspections across the State of Indiana and had 504 failures, a 5.204% failure rate

Scott County had the highest failure rate at 40%

The following businesses failed their SAC Inspections: Bull's Cork and Bottle, Puerto Vallarta, RCP Marketing LLC, and Roadhouse USA

In 2013 there were no "Alcohol Compliance Checks" in Scott Co by Indiana Excise Officers

Law Enforcement speaking to students

NYAP Outpatient Alcohol and Drug Services

LifeSpring began a Substance Abuse Reduction Program at the Scott County Jail with a CEASe Grant

#2: Youth and Adults in Scott County Use and Abuse Tobacco Products and Marijuana

Goals:

- 1. Reduce the percentage of Scott County youth using tobacco and marijuana by 2% in each grade 6-12 based upon reports from the IPRC Survey by 2016.**
- 2. Scott County will have at least one adult cessation program each year and will increase citizen annual use of the Indiana 1-800 QUIT NOW line, compared to the past three years.**

Tobacco Prevalence in Indiana

1/3 of Hoosiers ages 12 and up used a tobacco product in the past month (32.9%)

Highest tobacco use rate in state was among 18 to 25 year olds (44.7%)

More than 1/4 (26.8%) of Hoosiers ages 12 and up smoked cigarettes in past month and nearly 1/4 of all Hoosiers ages 18 and up use cigarettes every day

Indiana's adult smoking prevalence (24%) is the 6th highest in the nation

Marijuana Prevalence in Indiana

Marijuana is the most commonly used illicit substance in Indiana and the nation

Highest rate of current past month use was among 18 to 25 year olds (16.8%)

20% of Indiana high school students currently use marijuana

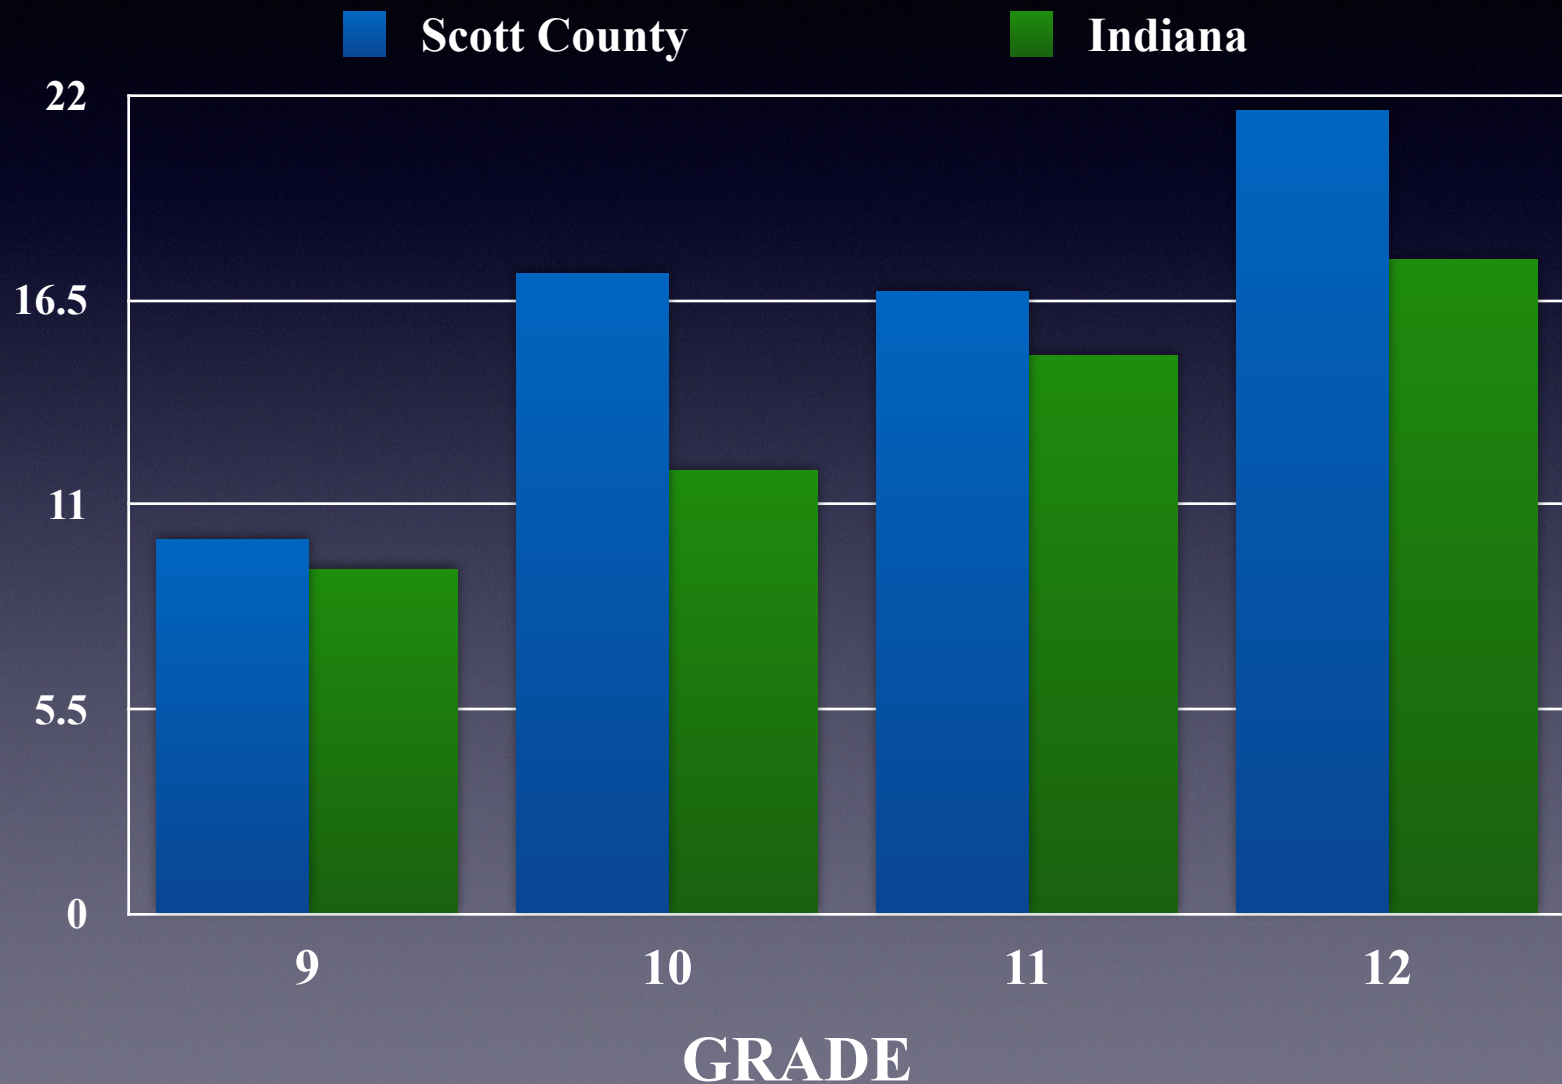

7.1% of 8th grade students, 13.7% of 10th grade students, and 17.6% of 12th grade students currently use marijuana

- ▶ **2014 County Health Rankings, Scott Co. adult smoking rate = 25% with 4,500 adults smoking**
- ▶ **Tobacco users calling the IN Quitline: 173 in 2010, 68 in 2011, 29 in 2012, and 64 in 2013**
- ▶ **IN State Excise Police: Scott County TRIP (Tobacco Retailer Inspection Program) Results:**
 - ▶ **2012 Noncompliance Rate = .09%, Austin Supermarket, Save A Lot, and Murphy USA failing**
 - ▶ **2013 Noncompliance Rate = 12.03%, 12 stores Failed: Austin Supermarket, Austin Fuel Mart, LeRoy's Food Mart, Colwell Convenience, Low Bob's Discount Tobacco, Speedway, Pioneer Village, Casey's General Store, Austin Sunoco, Swifty Food Mart, WalMart, Circle K**

What CEASe Is Doing?

TAP/TEG Program

Held a booth at the fair, Back to School Bash, Fire Dept. Trick-or-Treating

In School Youth Resources: Just Say No Club, Builders' Club, Key Club, VOICE of Scott County, SADD Club, Big Brothers Big Sisters, Club316, WhyTry

Scott Memorial Hospital, Scott County Health Dept. and Connections hosted smoking cessation classes (2013)

SPD had plain clothes officers at the fair to cite tobacco infractions

Sheriff's Department had officers stationed at fair to address any tobacco issues

The Scott County Prosecutor's Office will reduce tobacco infraction tickets if the offender completes a tobacco prevention/cessation related class (TAP/TEG)

The county schools are to turn over issues with tobacco users to law enforcement for documented violations and further referral to TAP/TEG

Scott County Tobacco QUIT NOW Coordinator meeting with schools, providers and employers to encourage their participation as Preferred Organizations, Preferred Providers, and Preferred Employers with with the IN Quit Line.

Life Skills are being taught in both districts.

#3: Youth and Adults in Scott County use and abuse prescription medications

Goals:

- 1. Reduce the number of annual drug overdose deaths in Scott County to 0 by 2017.**
- 2. Reduce the number of controlled substances dispensed in Scott County by 25% by 2017.**

Prevalence of Prescription Drugs in IN

The 3 most commonly abused types of Rx medicine are pain relievers (opioids), central nervous system depressants (sedatives, tranquilizers, hypnotics), and stimulants (used to treat ADD)

In 2012 nearly 10.7 million Controlled Substances were dispensed to Indiana residents

Young Hoosiers ages 18-25 had the highest rate of past year use (13.5%)

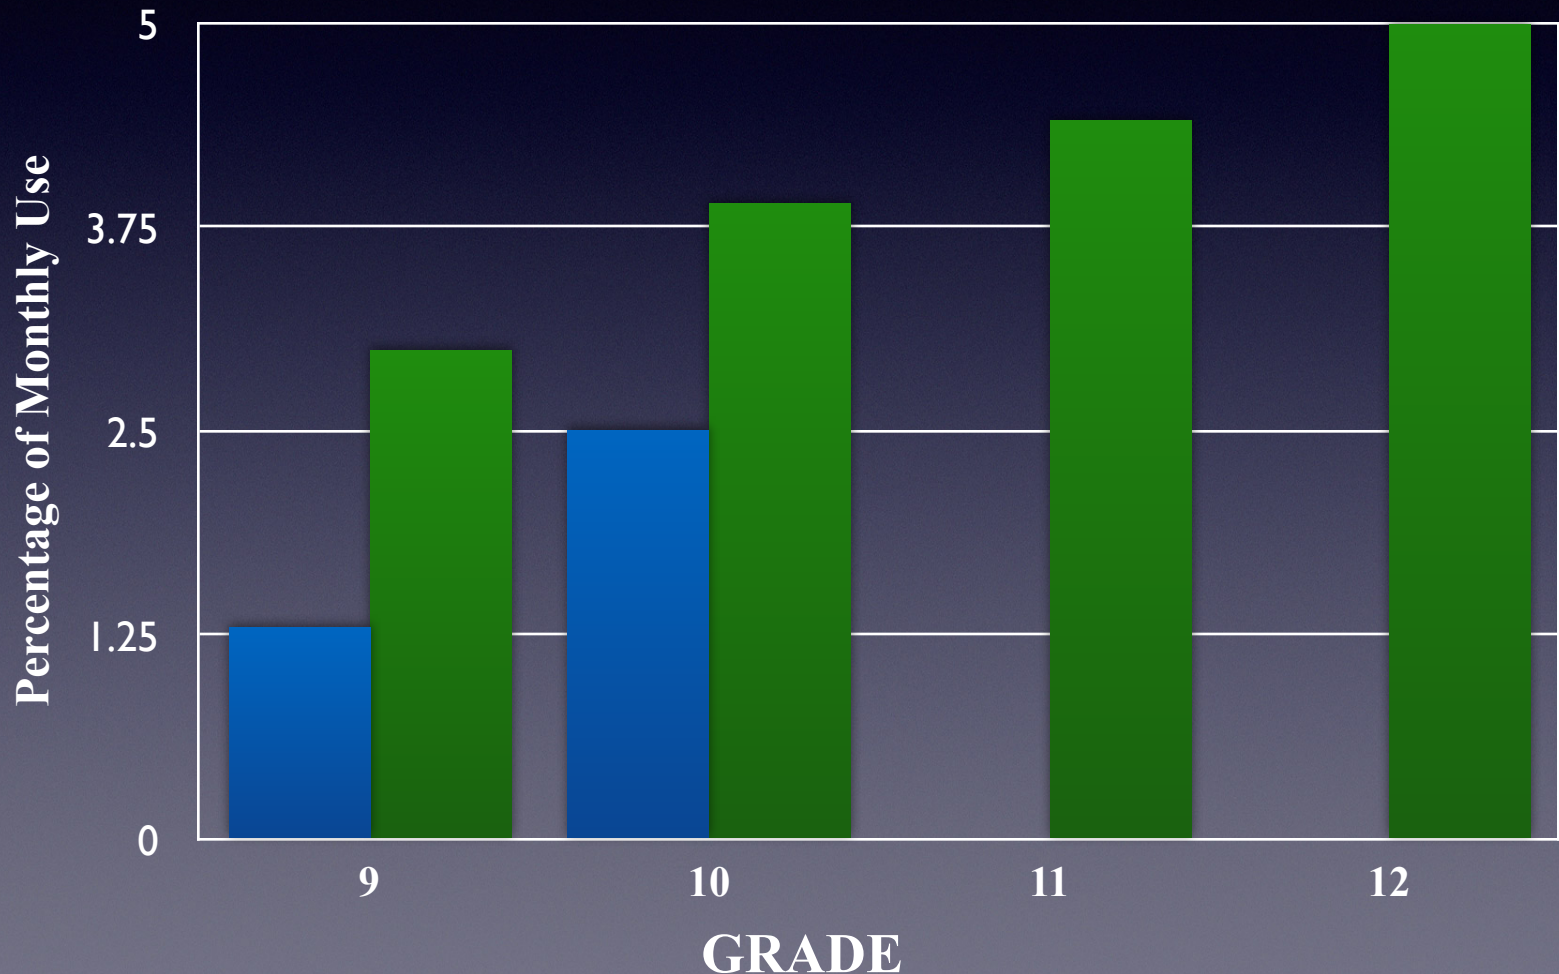

<u>Year</u>	<u>Controlled Substances Dispensed</u>	<u>Per Capita</u>	<u>State Rank</u>
2012	61,482	2.53	6
2011	81,667	3.38	1
2010	73,502	3.04	
2009	72,004	3.03	

The number of controlled substances dispensed in Scott County decreased for the first time in a four-year period. In 2012, over 20,000 fewer controlled substances were dispensed than 2011, a decrease of nearly 25% , marking the fewest number of controlled substances dispensed during the 4-year period

PRESCRIPTION MEDICATION: % of Monthly Use by Grade, SCSD 2 only, 2014

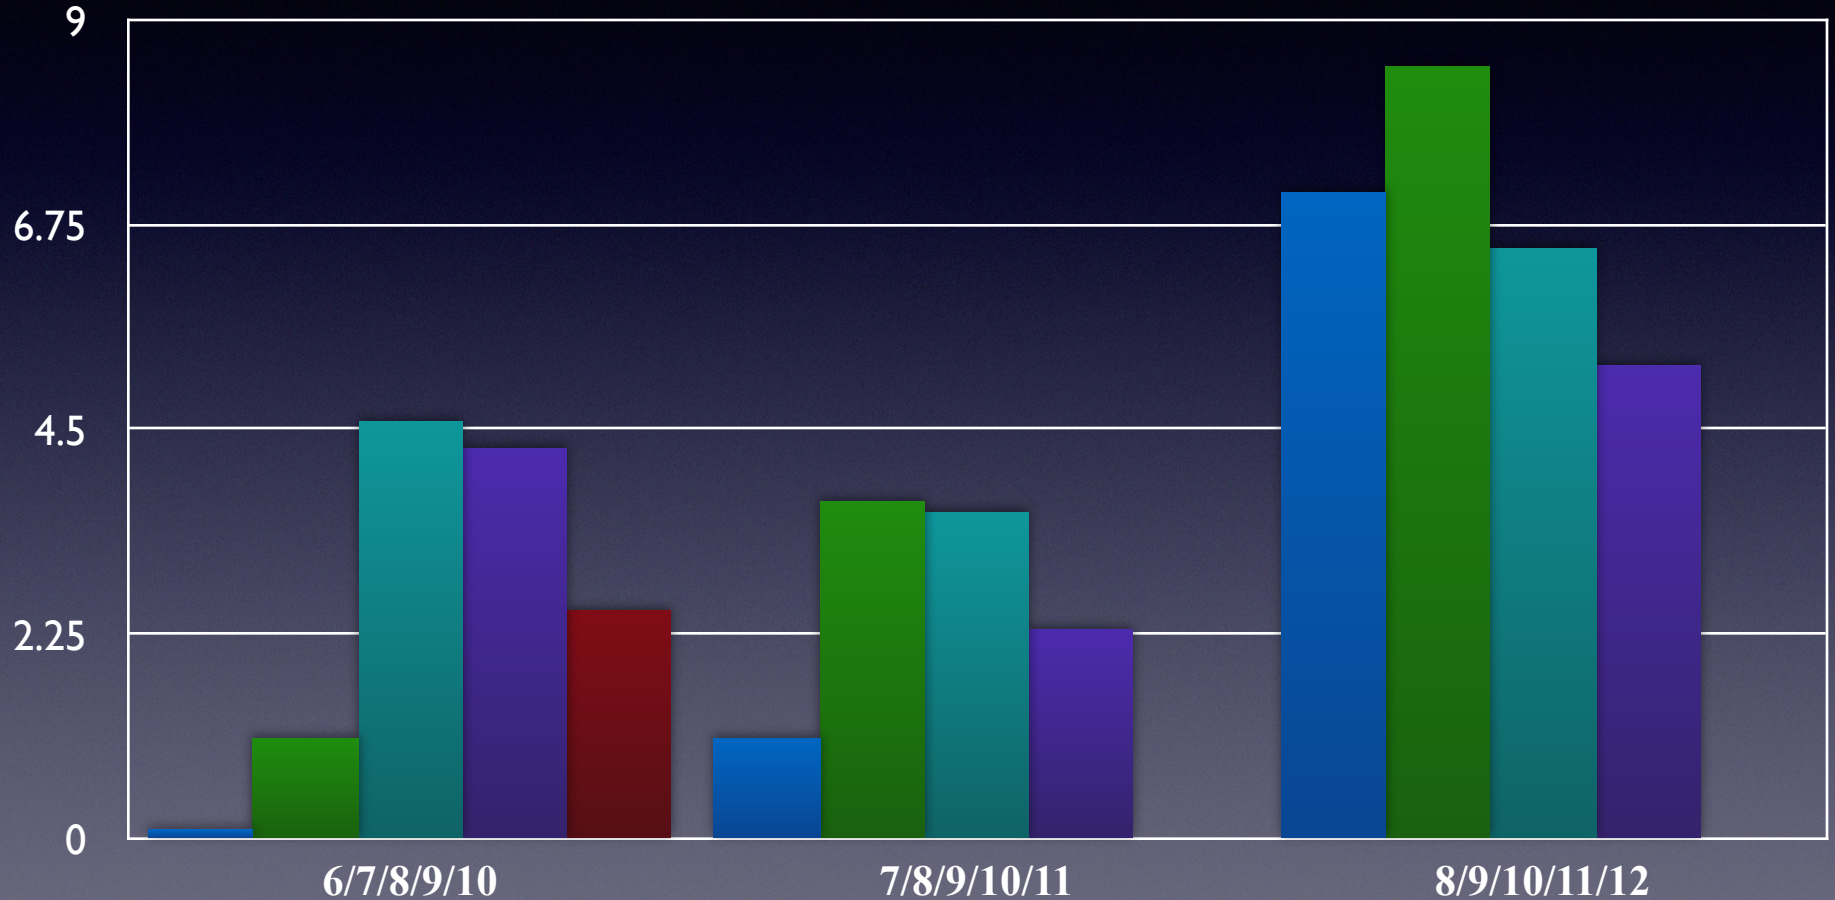

Mean Age of First Time Use = 14.7 Years Old

54 Total Coroner Cases (13%)

2014

5 Drug Overdose Deaths

44 Total Coroner Cases (11%)

(Scott County Coroner, Jerry Buchanan)

What CEASe Is Doing?

Scott County received Partnerships for Success II Grant targeting Rx drug abuse/misuse prevention, \$130,000/year until 9/15.

CEASe hosted 3 Community Forums annually instead of 2

CTC Implementation and Family Grants: Guiding Good Choices and Children in Between

In School Youth Resources

Scott Co. Area Plan Commission Executive Director initiated "Pill Mill" Ordinance in Scottsburg and Scott County

Scott Memorial has a well-enforced ER Narcotics Pain Policy

Life Skills are being taught in both districts

Media: CEASe website, radio station, newspaper, Facebook page, Get Healthy Scott County Coalition, Good News Chronicle, Sawyer Billboard

Support Groups: Al-Anon, SANITY, Alateen, NA, Lifespring groups, etc.

CEASe hosts booths at the county fair, Healthy Kids Nights, Fire Station Trick or Treating, Back to School Bash

Scott County Prosecutor's Office provides legislative updates to law enforcement agencies

Take Back Rx Drug Initiative offered twice a year

NYAP offers Outpatient Alcohol and Drug Services

CEASe Coordinator appointed serves on the IN Attorney General's Rx Drug Abuse Task Force

LifeSpring holds a Substance Abuse Reduction Program at the Scott County Correctional Facility with a CEASe Grant

2 Scottsburg Police Officers are on the FBI Safe Street Task Force

Scott County Sheriff's Department has a deputy assigned to the FBI Safe Street Task Force

Scott County Prosecutor's Office refers offenders to Clark Co. Drug Court/Floyd County's Veteran's Court where they receive treatment for substance abuse issues

The Drug Free Community Fund

IC 5-2-11

Monies collected through the courts are held in a county drug free communities fund by the county auditor

The Local Coordinating Council (CEASe) is the administrator of these funds & is responsible for its distribution back into the community according to their approved Comprehensive Community Plan

Grants are awarded to agencies & entities based on needs/services identified by the LCC through its comprehensive planning process

CEASe Supports:

- ▶ Prevention/Education initiatives, emphasizing the use of evidence-based programs in the prevention of substance use & the education of the general public regarding substance use/abuse in the county.
- ▶ Treatment/Intervention programs designed to identify & assist those who have substance abuse issues secure and benefit from service providers.
- ▶ Justice/Law Enforcement initiatives including education & training of personnel, special patrols and operations & court programs
